About Us

Building a strong foundation way back in 1998, Mahaveer Group has today earned a name for itself.

The group went on developing since its outset and has matched its shoulders with the steady competitors. With luxury apartments, plots and villas matching the requirement of the homebuyers, it has gained the public popularity to a larger extent. Mahaveer Group is also a South India's premier company certified under ISO 9001:2015 and has completed over 115 successful projects in Bengaluru with over 9 million square feet in the built-up area.

The two decade expertise has been a force in building long-term relationships and has helped in giving personalised and clear advice in every aspect of property buying. With ongoing projects of over 7 million square feet, Mahaveer Group is influencing the realm of real estate with a different aspect of life where luxury is blended with value.
